

AXIS Acquisition of Novae

Accelerating the Execution of a Winning Specialty Insurance Strategy

July 5, 2017

Disclaimer

This presentation has been prepared by AXIS Capital Holdings Limited (“AXIS” or the “Company”) solely for information purposes. Recipients of this presentation may not reproduce or otherwise redistribute, in whole or in part, the presentation to any other person.

No investment advice

This presentation is not, and is not intended to be, an advertisement, prospectus or offering memorandum, and is made available on the express understanding that it does not contain all information that may be required to evaluate, and will not be used by readers in connection with, the purchase of or investment in any securities of any entity. This presentation accordingly should not be treated as giving investment advice and is not intended to form the basis of any investment decision. It does not, and is not intended to, constitute or form part of, and should not be construed as, any recommendation or commitment by the Company or any of its directors, officers, employees, direct or indirect shareholders, agents, affiliates, advisors or any other person, or as an offer or invitation for the sale or purchase of, or a solicitation of an offer to purchase, subscribe for or otherwise acquire, any securities, businesses and/or assets of any entity, nor shall it or any part of it be relied upon in connection with or act as any inducement to enter into any contract or commitment or investment decision whatsoever.

Readers should not construe the contents of this presentation as legal, tax, regulatory, financial or accounting advice and are urged to consult with their own advisers in relation to such matters.

No reliance

This presentation does not purport to be comprehensive or to contain all the information that a recipient may need in order to evaluate the transaction or entities described herein. No representation or warranty, express or implied, is given and, so far as is permitted by law and no responsibility or liability is accepted by any person, with respect to the accuracy, fairness or completeness of the presentation or its contents or any oral or written communication in connection with the transaction described herein. In particular, but without limitation, no representation or warranty is given as to the achievement or reasonableness of, and no reliance should be placed for any purpose whatsoever on any projections, targets, estimates or forecasts or any other information contained in this presentation. In providing this presentation, AXIS does not undertake any obligation to provide any additional information or to update or keep current the information contained in this presentation or any additional information or to correct any inaccuracies which may become apparent.

External information

Where this presentation quotes any information or statistics from any external source, it should not be interpreted that the Company has adopted or endorsed such information or statistics as being accurate. We advise you that some of the information presented herein is based on or derived from statements by third parties, has not been independently verified by or on behalf of the Company, and that no representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of this information or any other information or opinions contained herein, for any purpose whatsoever.

Important notice

This presentation does not constitute an offer to sell or a solicitation of an offer to buy any securities in any jurisdiction to any person to whom it is unlawful to make such an offer or solicitation in such jurisdiction.

The distribution of this presentation and the offering, purchase or sale of securities issued by the Company in certain jurisdictions is restricted by law. Persons into whose possession this presentation may come are required by the Company to comply with all applicable laws and regulations in effect in any jurisdiction in or from which it invests or receives or possesses this presentation and must obtain any consent, approval or permission required under the laws and regulations in effect in such jurisdiction, and the Company shall not have any responsibility or liability for such obligations.

Forward-looking statements

This presentation contains statements that are or may be forward-looking statements. Without limitation, all statements preceded or followed by or that include the following words “target”, “expect”, “anticipate”, “intend”, “plan”, “estimate”, “will”, “may”, “forecast”, “project” and similar expressions (or their negative) are forward-looking statements. Forward looking statements include statements relating to the following: statements relating to the expected benefits of the offer for Novae, background to and reasons for the offer, information on the prospects of AXIS or Novae and future capital expenditures, expenses, revenues, earnings, synergies, economic performance, and future prospects. Forward-looking statements involve inherent risks and uncertainties that could significantly affect expected results and are based on certain key assumptions. Many factors could cause actual results to differ materially from those projected or implied in any forward-looking statements, including risks relating to the successful integration of Novae with the Company; higher than anticipated costs relating to the integration of Novae; investment required in Novae to realise expected benefits; and facts relating to Novae that may impact the timing or amount of benefit realised from the offer that are unknown to the Company. AXIS expressly disclaims any obligation or undertaking to release any updates or revisions to these forward-looking statements to reflect any change in Novae’s expectations with regards thereto or any change in events, conditions or circumstances on which any statement is based after the date of this presentation or to keep any other information contained in this presentation up to date. Accordingly, undue reliance should not be placed on the forward-looking statements, which speak only of the date of this presentation.

Responsibility statement under United Kingdom rules of the Takeover Panel

The directors of AXIS (whose names will be set out in the scheme circular filed under rules of the UK Takeover Panel) accept responsibility for the information contained in this presentation (including any expressions of opinion). To the best of their knowledge and belief (having taken all reasonable care to ensure that such is the case), the information contained in this presentation is in accordance with the facts and does not omit anything likely to affect the import of the information.

AXIS Acquisition of Novae: Another Milestone on Course to Leadership in Specialty Risks

1 Strongly Aligns with AXIS Insurance Strategy with Low Execution Risk

2 Increased Scale and Leadership in International Specialty Insurance

3 Highly Complementary Portfolio Enables Enhanced Growth

4 Significantly Strengthens Distribution Platform

5 Financially Compelling Transaction for AXIS Shareholders

Novae: A Specialist Lloyd's Franchise

Overview

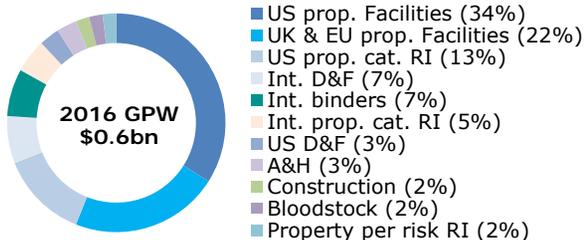

Novae is a leading specialty P&C (re)insurer headquartered in London, operating through Syndicate 2007 at Lloyd's

- Established in 1986 and listed on the LSE (market cap of £374m)
- \$1.2 billion of gross premium volume⁽¹⁾
- Underwrites ~30 specialty insurance lines
- Lead market in numerous specialty classes
- 9th largest syndicate at Lloyd's⁽¹⁾ with over 30 years of operating experience
- Growing third party capital business
- 13.2% average ROE⁽²⁾ over last 5 years
- ~350 employees, primarily in London
- High quality investment portfolio (AA- average credit quality of fixed maturity assets)

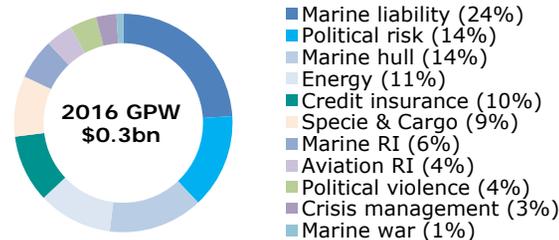

Business Mix ⁽¹⁾

Property

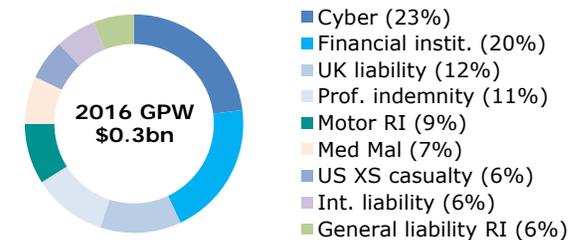

49% of GPW

Marine, Aviation & Political Risk

29% of GPW

Casualty

22% of GPW

Source: Company filings; FactSet.

Note: Assumes USD/GBP exchange rate of 1.36.

(1) As at 31 December, 2016. Note that, in 2017, Novae re-organized its business segments into Property and MAPS, following the exit from financial institutions, professional indemnity, motor RI and general liability RI, with med mal and UK liability lines re-allocated to Property and cyber and US XS casualty to MAPS.

Ranking based on 2016 aligned GPW, syndicates consolidated by managing agent group.

(2) 2016 ROE excludes the impact of Ogden rate change. Figure would be 11.4% including this impact.

Novae Today: Focus on Attractive Classes

Overview

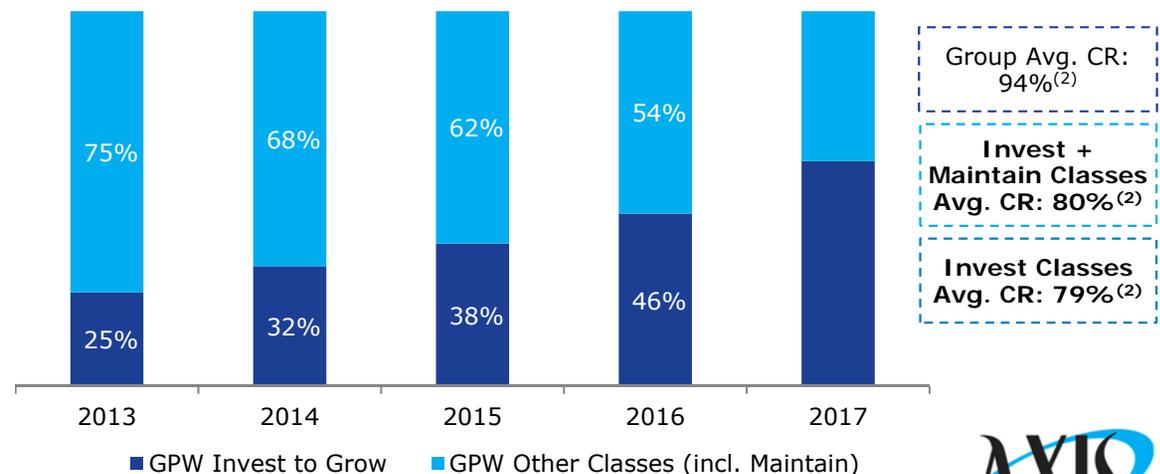

- Novae targets areas where it has a competitive advantage as a 'lead' market
- Shift in business mix has resulted in a portfolio focused on growing "Invest" classes that generate sustainable profits
 - \$421m GPW growth between 2013 and 2016, of which \$362m in Invest classes
 - Invest and Maintain classes together represent 100% of Novae's targeted new business from 2018 and have delivered a combined ratio of 80% since 2013
 - Cut back or exited units where it does not have a leading position or where rates are under persistent pressure
- Investments to create a more focused and profitable specialty business can be maximized under AXIS ownership
- Novae is the ideal partner for AXIS Insurance to accelerate its strategic ambition to grow its international specialty lines

Focus on Attractive Classes of Business

- Novae's Maintain classes
- US property cat. RI
 - Marine hull
 - Energy
 - International binders
 - UK liability
 - Specie & cargo
 - International property cat. RI
 - Marine RI
 - Other⁽¹⁾

- Novae's Invest classes
- US property facilities
 - UK & EU property facilities
 - Marine liability
 - Cyber
 - Political risk
 - Credit insurance

Growth and Calendar Year Profitability in Ongoing Business

Source: Novae data and Novae investor presentation

Note: Assumes USD/GBP exchange rate of 1.36.

(1) "Other" includes Bloodstock, Construction, US D&F, Accident & Health, Property Programs, Med Mal, Marine War, Political Violence, Crisis Mgmt, Aviation RI, US XS Casualty, MAP Programs.

(2) Represents CR from 2013-2016.

1 Acquisition of Novae Strongly Aligns with AXIS Insurance Strategy with Low Execution Risk

Expertise & Insight in Specialty Risks

- Accelerates global growth plans for international insurance
- Acquisition of a high quality franchise, establishing AXIS a top 10 Lloyd's player
- Novae brings significant expertise in attractive "Invest" and "Maintain" classes
- Adds significant capability as a specialist lead underwriter
- Opportunity to expand and deepen talent pool
- Leading specialist underwriter of binder business providing efficient platform to access small accounts

Portfolio Optimization

- Further shifts AXIS' business towards attractive primary specialty lines
- Highly complementary portfolios which are diversified and stronger together
- Our intention is to build upon Novae's strategy to grow "Invest" classes
- Provides access to rich data to optimize both portfolios, with additional data to improve underwriting, pricing & claims insights
- Shared vision and compatible disciplined underwriting cultures

Strategic Relationships with Business Partners

- Significantly increases scale and relevance with Lloyd's brokers
- Market-leading binder business with the potential to extend into other lines / risks
- Ability to further leverage Novae and AXIS' third party capital relationships
- Expanded underwriting platform to increase ceded premium to strategic capital partners and opportunities for incremental fee income
- Unique franchise in attractive local UK specialty business

Efficient Operating Platforms

- Meaningful top line and cost synergies achievable with limited execution risk
- Claims operation supports ability to take lead market positions
- Novae can leverage recent AXIS investments made in London / Lloyd's operational efficiency
- Greater scale of combined AXIS / Novae binder business supports further operational efficiencies
- AXIS company platform creates flexibility for Novae's clients and distribution partners

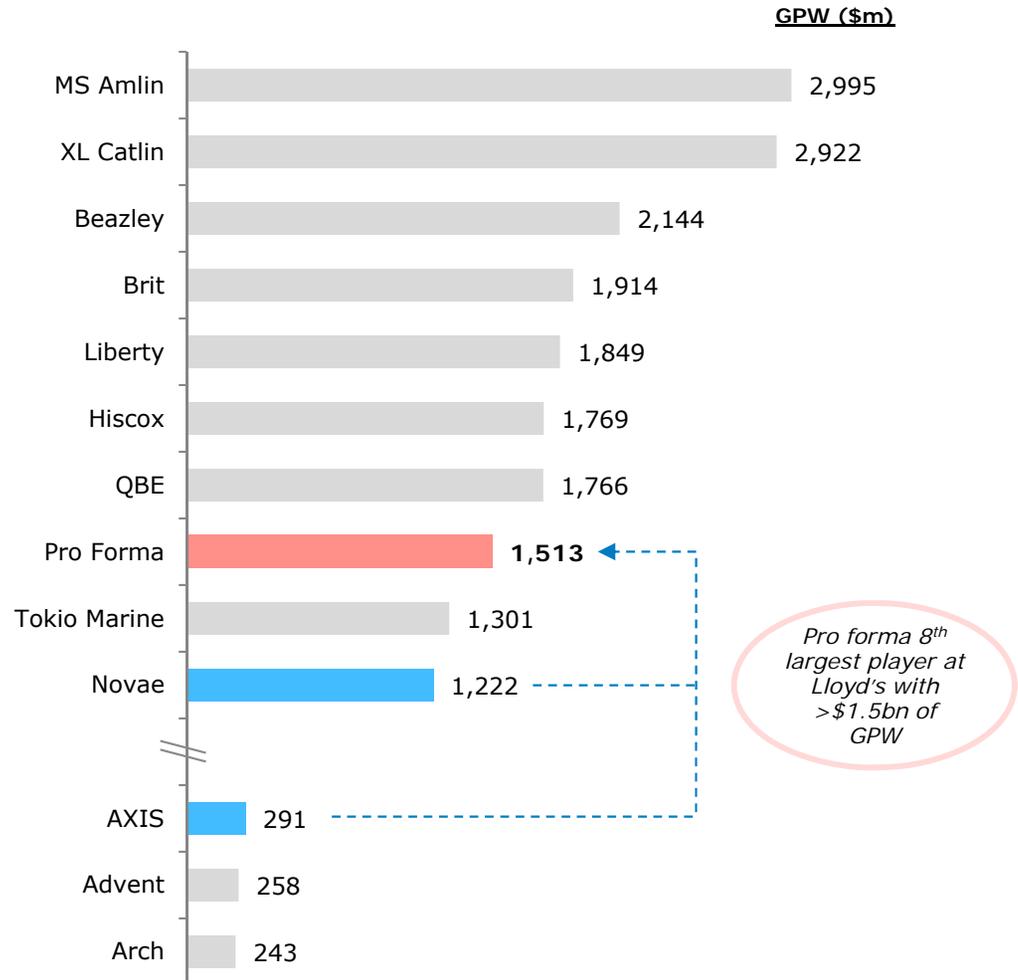

2 Increased Scale and Leadership in International Specialty Insurance

Overview

- On a combined basis AXIS becomes a ~\$2 billion player (of which \$1.5bn is Lloyd's) in the London specialty market⁽²⁾ and a \$3.5 billion global insurance player within a \$6 billion global specialty (re)insurer
- Opportunity to accelerate the breadth and depth of talent, lines of business, and leadership positions in the London market for specialty risks
- Continues to position AXIS as a leading global specialty (re)insurance player
 - Top 10 (re)insurer at Lloyd's
 - Leading underwriter of binder business
 - Leading global professional lines franchise
 - Strengthens position in cyber
 - Top 10 provider of U.S. E&S⁽³⁾

Top 10 (re)insurer at Lloyd's⁽¹⁾

Pro forma 8th largest player at Lloyd's with >\$1.5bn of GPW

Source: Company filings.

Note: Assumes USD/GBP exchange rate of 1.36.

(1) Based on 2016 aligned GPW, syndicates consolidated by managing agent group.

(2) Composed of \$291 million written at Lloyd's by AXIS, \$1,222 million written at Lloyd's by Novae and \$487 million written on AXIS company paper.

(3) Per A.M. Best rankings.

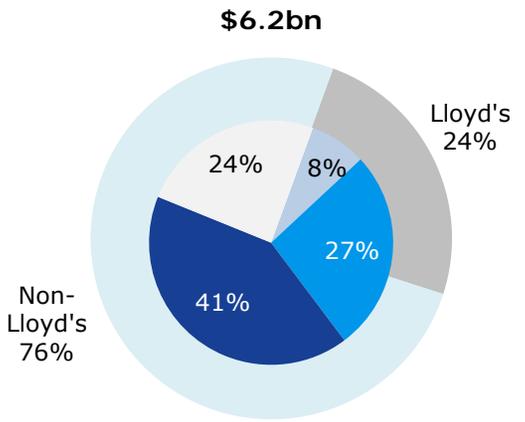

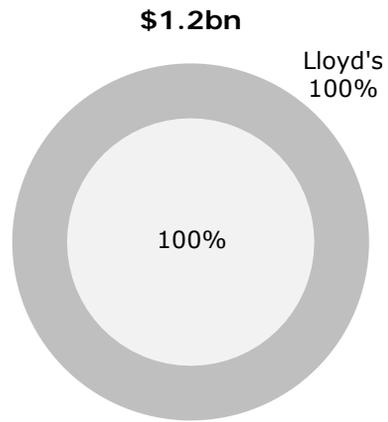

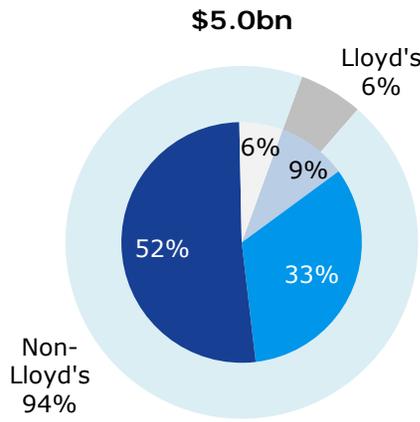

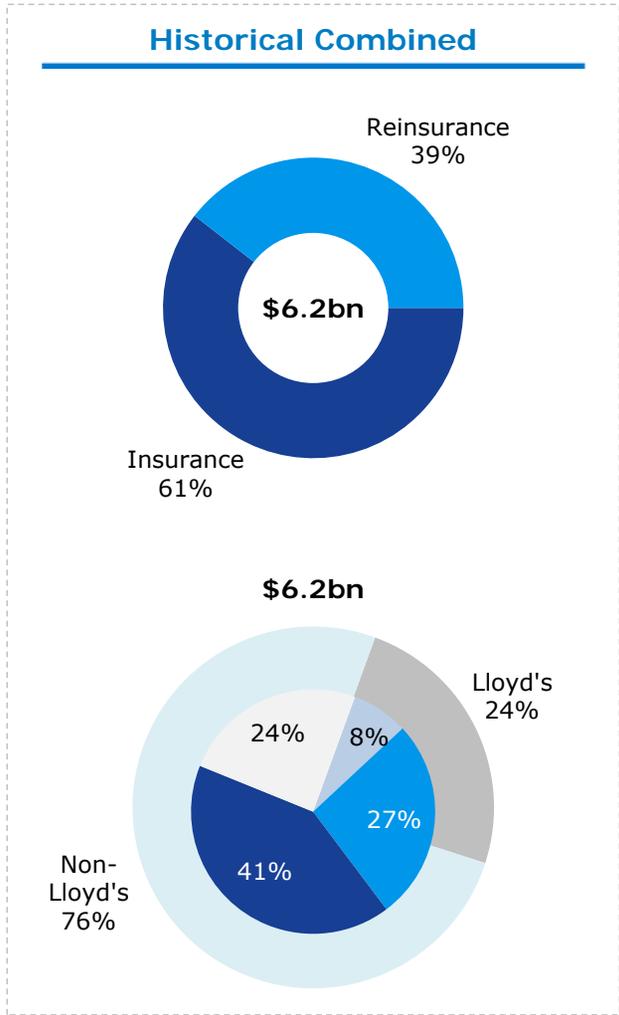

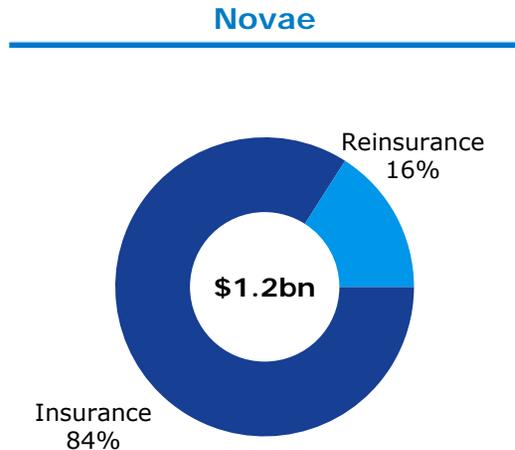

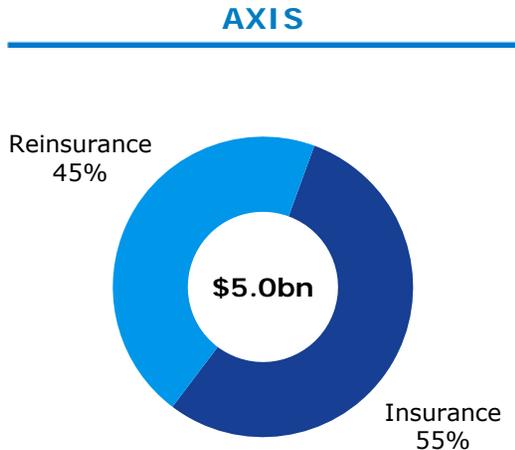

2 Increased Scale and Leadership in International Specialty Insurance

Combination increases contribution from international specialty insurance and Lloyd's

Shift of Business Mix Further to Specialty Insurance (2016 GPW)

Increased Scale at Lloyd's⁽¹⁾ (2016 GPW)

- Bermuda
- Ireland
- U.S.
- Other

Source: Company filings.
 Note: Assumes USD/GBP exchange rate of 1.36.
 (1) Geographic segments are based on GPW by location of subsidiaries.

3 Highly Complementary Portfolios

Fit Of Novae Classes With Existing AXIS Portfolio

- AXIS has similarly focused on its own “Invest” classes; these classes in the combined portfolio represent a very attractive growth and profitability profile
- Combination provides broadened and deeper underwriting expertise in specialty insurance and adds new classes and “lead” capabilities
- Complementarity within lines of business (e.g., Novae’s attractive SME and specialty homeowners-focused UK and European property book is additive to AXIS’ existing Property footprint)

Novae’s “Invest” classes

	New Classes	Complementary Classes
Property	<ul style="list-style-type: none"> ■ UK & EU Property facilities ■ US Property facilities ■ Bloodstock ■ Construction 	<ul style="list-style-type: none"> ■ International binders ■ Energy
Marine	<ul style="list-style-type: none"> ■ Marine Hull 	<ul style="list-style-type: none"> ■ Marine Liability ■ Marine War ■ Specie & Cargo
Terrorism	<ul style="list-style-type: none"> ■ Crisis Management 	<ul style="list-style-type: none"> ■ Political Violence
Professional Lines	<ul style="list-style-type: none"> ■ Medical Malpractice 	<ul style="list-style-type: none"> ■ Cyber
Liability	<ul style="list-style-type: none"> ■ UK Liability 	
Credit & Political Risk	<ul style="list-style-type: none"> ■ Political Risk 	<ul style="list-style-type: none"> ■ Credit Insurance
Accident & Health		<ul style="list-style-type: none"> ■ A&H

Source: Company filings.

3 Enhanced Growth

- Opportunity to sell more products through Novae's distribution relationships using AXIS' company platform in addition to Lloyd's
- Benefits from offering Novae's products over broader AXIS platform (e.g., Singapore for Asian risks, Miami for Latin American risks, Brussels for Continental European risks)
- Ability to increase writings and retentions of attractive business due to significantly larger capital base (e.g., cyber, marine hull and liability, specie and cargo)
- Increased relevance with strategic brokers
- Increased reinsurance purchasing power and optimization
- Accelerates AXIS Reinsurance plans to access specialty reinsurance business at Lloyd's
- Expand stable fee income and market presence / capacity through increased options for third party capital

4 Significantly Strengthened Distribution Platform

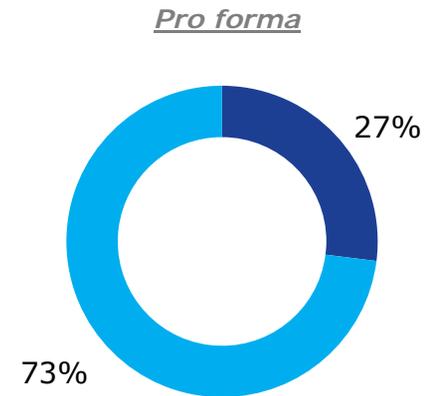

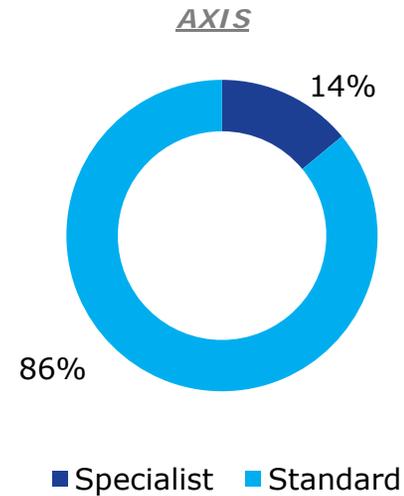

- Increased relevance and scale with Lloyd’s brokers

- Attractive coverholders who provide stable book of attractive business
 - Novae is a leading underwriter of binder business at Lloyd’s market with leading capabilities in managing this business

 - Over 50% of Novae business produced through coverholders, bringing pro forma for AXIS Insurance to over 25%

 - Novae binder relationships represent significant channel serving attractive SME and specialty personal lines business

AXIS Insurance ‘Specialist’ Distribution

Source: Company filings.

Note: Specialist distribution refers to MGA, Program, binding authority, Lloyd’s coverholder, etc. Standard distribution refers to traditional brokers / wholesalers
 Estimates based on 2016 performance and exclude Novae treaty reinsurance

5 Financially Compelling Transaction for AXIS Shareholders

Value Enhancement Drivers

Revenue Synergies

- Increased scale and product offering with growth from international insurance and smaller account business
- Benefits available from operating Novae within AXIS' efficient corporate structure
- Revenue growth opportunities through optimization of pro forma product portfolio through combined distribution channels
- Enhanced top-line growth opportunities from the combination of AXIS' platform and Novae's portfolio is expected to outweigh any overlap

Cost Synergies

- ~\$50 million of identified run-rate pre-tax cost synergies
 - Expected to be fully realized in year 2
 - Synergies primarily derived from support functions and corporate expenses
- Ability to realize synergies is supported by recent investments by AXIS to drive efficiencies across international insurance operations
- Expected pre-tax restructuring costs of ~\$40 million

Limited Execution Risk

- Complementary business profile
- Likeminded corporate cultures with strong focus on underwriting
- Strong balance sheet with prudent approach to reserving
- Easily digestible transaction size
- Scope of integration limited to one office

Summary Financial Impact

Operating Earnings per Share

- Accretive in first year before full realization of synergies
- High single digit accretion expected by year 2

Operating Return on Average Equity

- Immediately accretive to Operating ROE

Book Value per Share

- Neutral to BVPS at close
- Minimal impact to TBVPS
- Accelerated growth in BVPS and TBVPS post-close

Powerful Strategic and Financial Rationale for Acquisition of Novae with Limited Risk

Acquisition Accelerates a Number of AXIS' Strategic Objectives

- Increased scale and market relevance in international specialty insurance
- Expansion in London/Lloyd's market well understood by AXIS
- Enhanced platform across products and distribution
- Opportunity to leverage Novae's expertise and access to specialty (re)insurance
- Consistent with AXIS progress in developing a more diversified and stable portfolio to deliver consistent, quality earnings

Financially Compelling Transaction

- Accretive to operating EPS and operating ROE in first year, with high single digit EPS accretion by year 2
- ~\$50 million of run-rate pre-tax cost savings
- Enhanced financial profile
